## [A Word from Our Founder](#)

Comfort Socks has always been a mission of faith, in that every pair of socks we give to homeless shelters or the homeless programs we sponsor, we just believe that the sock recipient is going to receive the comfort we long to provide. We do not need to see the fruits of our labors to know we are effective. Each year that passes, we are more and more moved with compassion and encouraged to continue on the path we are on -

I personally encourage teachers, youth ministers, VBS teachers, girl scout troop leaders, and every Mom and Dad who wants to inspire their children to learn about giving to those who are less fortunate, please collect socks for us. Remember, Comfort Socks only accepts New socks, and mens crew length are the most needed. Please join our family of sock collectors today. Our website has creative ways you can get involved, and we welcome your thoughts of new ways to keep this simple, but so important mission going.

Thank you so much for your prayers for our mission, and your support.

Sincerely,  
Theresa Tese
