

Comfort Socks Newsletter - July 2010 - Socks for the Homeless

[Sewing Seeds of Hope for the Future.](#)

Comfort Socks has been very busy this summer making new connections. Connections that we are sure will blossom into an abundance of socks, friendships and most of all, comfort for homeless people and families all across our nation. So please remember that when you see new and exciting things begin to happen in the Comfort Socks world, it began with the 'heart seed' filled with hope and faith, that has blossomed into something beautiful of the spirit.

[Homeless Factsheet](#)

Please see the following factsheet about our Homeless Veterans
Published by the National Coalition for the Homeless, September 2009
<http://www.nationalhomeless.org/factsheets/veterans.html>

The U.S. Department of Veterans Affairs estimates that 131,000 veterans are homeless on any given night And approximately twice that many experience homelessness over the course of a year. Conservatively, one out of every three homeless men who is sleeping in a doorway, alley or box in our cities and rural communities has put on a uniform and served this country. Please help us to provide comfort of new socks to our men and women who have bravely served our country. Send us a donation or new mens crew socks today, organize a sock drive, and please spread the word about our work.

[Sock Collectors, Expecting Great Things](#)

As an act of faith we purchased new plastic sock bins - expecting them to be filled – Within days they all were filled to the brim. Faith moves the heart of those willing to do good in the world. Thank you so much to all our sock collectors – past, present and future, we could not do it without you.

Sunset Beach Community Church

Comfort Socks received about **50** pairs of socks from Sunset Beach Community Church. Pastor Richard Farrand is such a great support to me personally, with a willing heart to help. God Bless You Richard, and your congregation.

It was a happy day when I received a call from Ken Larson. Ken is a man with a passion for doing good. Active and dedicated to purpose, Ken has heard our call and is collecting socks with a powerful spirit of brotherly love attached. I applaud Ken, and welcome him to the Comfort Socks family. Please check him out on facebook, for Ken has plans of his own that will manifest into a great work that will touch the lives of many, many people. Find him here on facebook.
