Giving Comfort to homeless families through the warm, secure feeling of new socks

## Children Hope for Comfort Sock Recipients

It's been nearly 10 months since Comfort Socks starting collecting socks for homeless people. Now that our procedures have been established and are working well, we felt a strong desire to get children involved in the Comfort Socks mission. We rejoiced when Supply Elementary School Principal Dr. Willis welcomed Comfort Socks enthusiastically. Look for more about this in next months newsletter. Additional confirmation came within days of each other, when Comfort Socks received beautiful cards of hope from VBS children.

The Maplewood Baptist Vacation Bible School children sent 230 pairs of socks with their cards, and our own New Life Christian Fellowship children raised \$137.43 along with their simple, powerful message of hope. Comfort Socks has once again been blessed, and this blessing will pass to each sock recipient who receives the love and concern each child expressed.

Comfort Socks is a 501(c)3 public charity that collects new socks from individuals, schools, organizations, and apparel manufacturers. We then distribute these socks to any organization that serves homeless people and families. Our mission is simple - **Comfort** - It just feels good to put on a new pair of socks, and we believe this warm and comfortable feeling can help to ease the pain of someone who feels lost or forgotten by this world. Socks are an important part of health and a constant need for homeless people, who are constantly on their feet, and often do not change socks on a daily basis - **Comfort Socks is working hard to make socks always available to those in need** - In addition to keeping our local shelters full with socks - Comfort Socks stretches to agencies from NYC to New Mexico to Key West, FL. Please keep us in your prayers and on your donation list - We welcome all **volunteers** - see our **How You Can Help Page** for more details.

### Comfort Socks and InvisiblePeople.TV Connect

InvisiblePeople.tv is traveling across America to capture the stories of people without a home. This tour will unearth the modern-day realities of homelessness while providing a venue for "invisible" people to tell their story, raw and unedited. Mark Horvath is gathering this information to make a documentary. Mark took some time out of his travels to speak with us this week, welcoming us with open arms. You see, Mark understands homeless people and their needs firsthand . **Can you guess what he hands out to every homeless person he meets? You guessed right—Socks!** Go to the [Mission](#) and then [Renewal Need](#) section of the Comfort Socks website for more information on Mark's work.
