[Yuma Arizona Podiatrist Steps Up for Homeless Feet](#)

Although Dr. Cohen collects socks for the Crossroads Mission in AZ, we feel it is important to recognize the importance of new socks for homeless people and Dr. Cohen's work. Please read the article that appeared in the Yuma Times about Dr. Cohen [here](#). As the new year is upon us, please remember to support Comfort Socks on a regular basis, as we can attempt to raise the awareness of the foot wellness for the body, and provide comfort for the troubled spirit.

Richard Farrand Pastor

From the moment I met Pastor Richard Farrand, I knew there existed a special leadership quality that would yield wonderful results. Pastor Farrand went the extra mile for Comfort Socks in so many ways. Every Monday, upon entering the room for the Advent luncheon, you were greeted by a huge Christmas Tree adorned with Socks. The Sunset Beach Community Church congregation brought socks every Monday as part of their admission to the luncheon. It was my great honor to be invited to speak to the congregation about Comfort Socks on Monday 12/7/09, and I was welcomed with a brotherly love that touched my heart and spirit. Their efforts blessed us with **375** pairs of socks. Thank you Sunset Beach Community Church, for stepping forward to make a difference.

375 pairs of socks will warm the feet and comfort the hearts of those misplaced and lost.

Pastor John Causey

The Ladies of Shallotte Presbyterian Church heard our call, and stepped forward with vigor and purpose.

Their enthusiasm was contagious and got the whole parish involved, and they collected over **285** pairs of socks.

The exciting thing is they expressed it was fun and also their desire to collect socks again in the Spring 2010.

I hope to have the opportunity to meet the Pastor of Shallotte Presbyterian Church in the future.

Jolene Gearhart & Family

The Gearhart family of 6 have really stepped up forward to make a difference, and have succeeded. Thanks to their efforts and sincerity of spirit, they collected **391** pairs of socks and beautiful cards of hope. Please read the story (link below), in the words of Jolene Gearhart of how they came to be part of the Comfort Socks family. We hope they will step forward again in the spring, when the need for socks rises due to rainy and change of season weather.
